## Review the important ideas from this week.

1)

**Tell one fact about pushes and pull**

.....

2)

**Circle the picture. Explain why.**

.....

3)

**What did you observe?**

.....

4)

**Ask one science question.**

.....

5)

**Tell one fact about pushes and pull**

.....

6)

**Circle the picture. Explain why.**

.....

7)

**What did you observe?**

.....

8)

**Ask one science question.**
